121 KING ST WEST, TORONTO, ON

A TENANT-FIRST, BOUTIQUE EXPERIENCE

Crestpoint has re-imagined 121 King St West as Roserock Place drawing inspiration from the site's storied past while nurturing its future. Deeply rooted in high-quality hospitality and with a tenant-first mindset, Crestpoint has delivered a boutique experience by establishing building programming that is responsive to its users' evolving needs and surroundings. Roserock Place is a dynamic, commute-worthy destination where its community can converge, congregate and establish pride in place.

As engaged owners and operators, Crestpoint holds themselves to the highest standard treating every touchpoint with great care to build and foster an authentic community that is open to all, thoughtfully integrated and continuously evolving.

WELCOME *to/the* CORNERSTONE OF KING & YORK

Roserock Place is a 540,000 square foot Class 'A' office tower in the heart of Toronto's financial core. Adorned in polished granite, visitors are welcomed by a fully redeveloped lobby featuring a stunning deconstructed granite centerpiece, further surrounded by soaring ceilings, inlaid marble floors, polished granite walls and a bank of 11 high-speed elevators. Operating to high sustainability and environmental standards, Roserock Place boasts a multitude of on-site amenities including a brand new tenant lounge, a fully equipped conference centre, and state-of-the-art end-of-trip facilities with shower and bike storage free of charge. Concourse retailers connect Roserock Place directly to Toronto's PATH system while the building is steps from St. Andrew Station and a short walk from Union Station. If driving in, Roserock Place offers two levels of secured underground parking. More than just an office, Roserock Place is the backdrop for life and business to take place.

RENOVATED LOBBY

Roserock Place offers an entryway that boasts an abundance of natural light, welcoming concierge staff and ample seating, enabling spontaneous connections and interactions between you and your colleagues, clients, and visitors.

The new lobby features a stunning deconstruction of the building's original pink granite. The transformation of the granite from its polished, refined state on the floor and across the lower vertical planes to the rough-hewn, natural state found in nature rising to the upper heights is a physical manifestation of the rebirth of the space. The organic rock wall feature is bathed in a circadian light that soothes the senses and welcomes us to the wonders of nature through the Canadian shield.

CONFERENCE CENTRE & TENANT LOUNGE

Leisure & Workspace

The lounge has been specifically designed to promote team collaboration, encourage learning, and offer opportunities for individual focus and rejuvenation. Outside of work hours this space provides an exclusive venue for team bonding and social experiences.

With a variety of boardrooms, breakout rooms and event spaces that can accommodate both small and large groups, the lounge is ideal for hosting unique conferences and gathering experiences for your teams or clients.

121 King St West

CONFERENCE CENTRE & TENANT AMENITY LOUNGE

BUILT OUT MODEL SUITES

Our spaces offer a range of suite designs and aesthetics to meet various specifications. We can provide move-in ready suites or collaborate to design custom spaces to meet your needs.

Our suites feature a warm and inviting reception area, a spacious boardroom, huddle rooms for quick meetings, private offices for focused work, an open-concept workspace to encourage collaboration among team members, and a fully equipped kitchen for your team to relax and recharge.

COMMON CORRIDOR

Elevator Upgrades

Upgrades include the elevator bay, which features a mix of materials and design elements that are smooth and refined.

The elevators themselves offer a clean, modern design that balances form with function.

Washroom Facility Upgrades

This is an ongoing program that will see every corridor and washroom at Roserock Place elevated and refreshed.

END-OF-TRIP FACILITIES

Change Rooms with Shower Facilities and Bike Storage

For the convenience of those who cycle into the office, tenant-exclusive change rooms and shower facilities are available, and are easily accessed from the bicycle parking and storage area in the lower level of Roserock Place.

Features Included:

- Towel service
- Private showers with individual change rooms
- Dyson hair dryers
- Secure lockers and bike storage
- Free of charge to tenants

FOSTERING CONNECTION THROUGH THE ROSE ROCK APP

The building app for Roserock Place is a comprehensive tool designed to foster a sense of community among tenants and enhance their overall experience. It serves as a centralized platform for team experience initiatives, property experiences, and tenant feedback. The app promotes communication between tenants and management, encouraging users to provide input and suggestions as well as enables real-time communication and the facilitation of meaningful connections among Roserock Place tenants through unique events and thoughtful building programming.

Community

Service

Event Planning

TENANT ENGAGEMENT EVENTS

Explore our interactive building programming - which will have the potential to liven up your day at the office, and encourage meaningful interactions with other in-building professionals.

Sweet Tooth Tasting

Join us for a delightful Chocolate Tasting Workshop at our office building! Enhance your palate, discover new favourites, and indulge in an exquisite array of premium chocolates. Open for all tenants, it's the perfect chance to mingle and savour some sweet moments together.

Latte Art & Coffee Tasting

Discover the art (and joy) of coffee. Enjoy a behind-the-scenes look as a master barista transforms foam into beautiful designs, while you sip and sample brews from around the world. It's a delightful, energising experience for coffee lovers of all kinds—one that might just awaken your inner coffee connoisseur.

Cocktail Class

Shake things up with an interactive mixology class at Roserock Place. Learn to craft both classic cocktails and inventive alcohol-free creations alongside expert bartenders. It's a fun, hands-on experience that blends creativity, great flavours, and community. Cheers to new skills and shared moments!

The Sweetest Appreciation

To express our gratitude for your continued support, we're hosting an Ice Cream Day for all our esteemed tenants. Come bask in the summer sun and enjoy an array of delicious and refreshing ice cream flavours. It's our sweet way of saying thank you!

Yoga

Stretch, breathe, and find your calm. Our yoga sessions offer the perfect midweek reset—inviting you to let go of stress and reconnect with your inner peace. Whether you're a seasoned yogi or just beginning, join us for a guided experience that leaves you feeling balanced and refreshed.

COMMITTMENT TO HIGHEST STANDARDS

Roserock Place's foundation is built on care and it has been awarded for its highest standard in operations, connectivity, and customer health. Crestpoint continues to be a leader in Environmental, Social and Governance initiatives holding itself accountable for a better, more sustainable future.

ENSURING A SUSTAINABLE FUTURE

Energy, Water And Greenhouse Gases

Our goal is to decrease utility consumption and greenhouse gas emissions by targeting all three impact areas: building systems, operations, and tenant behaviour. To achieve a 10% energy use reduction, we utilize our Stream system to analyze past energy use, identify preliminary targets in the three areas, and develop an annual action plan.

Waste Management

Roserock Place has established Waste Reduction and Recycling programs, including the collection of various materials like paper, plastics, glass, organics, e-Waste, wood and writing instruments. The effectiveness of these programs is assessed through monthly waste diversion reports, which are analyzed quarterly for annual target adjustments.

Indoor/Outdoor Environment

Roserock Place is implementing eco-friendly practices for both indoor and outdoor environments. Outdoors, we have installed drought-resistant plants and use environmentally friendly herbicides and fertilizers. We have a rooftop garden where the harvested food is donated to local shelters. In addition, our tiniest tenants are moving in as we implement the Beehive program to foster a healthier habitat. Indoors, we upgraded our lighting system to protect local birds, we utilize energy-efficient architectural features, and conduct annual air quality testing and monitoring.
